Re: Supplemental Incident Notification

Attorney General Healey:

On August 31, 2018, on behalf of our client, Posternak Blankstein & Lund LLP ("Posternak"), we notified your office of a phishing incident. In that notice, we explained that Posternak began notifying the parties that had provided the personal information to Posternak ("Data Providers") and offered to provide notification to the potentially affected individuals on behalf of those Data Providers, and as well as complimentary credit monitoring services for eligible individuals, call center services, and required regulator notifications.

Since our August 31, 2018 notice, forty six additional Data Providers have requested that Posternak provide the offered services on their behalf. Posternak notified three hundred forty three additional Massachusetts residents of the incident in writing between September 12, 2018 and October 24, 2018 in accordance with Mass. Gen. Laws. Ch. 93H § 3(b) in substantially the same form as the letter provided to your office on August 31, 2018. Posternak has provided all eligible individuals with a complimentary one-year membership in credit monitoring and identity theft protection services from Experian. Posternak has also provided a telephone number for potentially affected individuals to call with any questions they may have.

To date, Posternak has provided notice to a total of four hundred seventy seven Massachusetts residents. Posternak provided notice to the individuals as soon as possible and without undue delay after Posternak received affirmative responses from the Data Providers that Posternak notified of the incident.

Please do not hesitate to contact me if you have any questions regarding this matter.

Sincerely,
